This has reference to the meeting of the Expert Committee held on 10<sup>th</sup> September 2020 via VC under your chairmanship to evaluate DPR of plastics park in Uttarakhand.

**ASHOK AGARWAL**

Please also refer to the last meeting of the Expert committee held on 15<sup>th</sup> May 2020. We are thankful that the following recommendations have been agreed by SIIDCUL with respect to the proposed Plastics Park in Sitarganj, Uttarakhand: -

2. As per the presentation during the meeting, SIIDCUL has agreed to provide End to End solution for entrepreneurs to establish their units in the plastic park. This also has reference to the last meeting wherein SIIDCUL was requested to exclude cost of the land from the Project cost as per the scheme guidelines. As per the presentation during the meeting on 10<sup>th</sup> Sept, SIIDCUL had informed that the cost of the land amounting to Rs. 12 crores have been excluded from the total project cost.

We have also suggested in the meeting that SIIDCUL may consider inviting manufacturers of plastic toys to setup their manufacturing units in the proposed plastics park. This is of high relevance and importance

considering the call of Hon'ble Prime Minister for making Indian Toy industry 'Atmanirbhar'.

Considering the above, we would be grateful if the plastic park in Sitargang, Uttarakhand may be approved by the Department of Chemicals and Petrochemicals.

Thanks and best regards,

Jagat Killawala  
President
