ABOUT AIPMA

The All India Plastics Manufacturers' Association (AIPMA) is an ISO 9001:2008 certified organization, established in 1945 is the oldest and largest apex body to promote development and growth of Indian Plastics Industry. Membership includes all categories of plastics industry from 175 cities nationwide. 53 Regional Plastic Associations are affiliated to AIPMA, making member base as 2,500 direct and over 20,000 indirect members.

AIPMA also has strong Government Advocacy and representations primarily with Department of Chemicals & Petro-Chemicals, Ministry of Chemicals & Fertilizers (DCPC), Ministry of Environment, Forest and Climate Change (MoEF&CC) and various other Departments to address Environmental issues, Plastic Ban, Image Building of Plastics, Recycling and Waste Management etc., in India.

AIPMA promotes Plastic Parks to develop Plastic Clusters in over 9 states in India for Development & Growth of Plastic Industry.

Job Fairs are held regularly jointly with Technical Institutes to address employment issues. Seminars, Conferences, Workshops and Training Programmes are held with meaningful topics related to the industry.

Business Delegations to prominent Plastics Exhibitions such as Chinaplas, K, Koplax, Taipei, NPE, Milan etc., are organized to provide business networking to members and also organize B2B meetings.

Monthly Plastics News and Environmental Bulletins are published to keep the industry abreast with latest developments related to Plastics, Environment and Business Trends across the Globe.

To promote Exports, Directorate General of Foreign Trade, Government of India has allowed AIPMA to issue Certificate of Origin to exporters of India.

AIPMA organizes World Class Exhibitions of Plastics such as 12th Edition of PLASTIVISION INDIA 2023 is scheduled from 07th to 11th December, 2023 at NSE Grounds, Mumbai.

AIPMA's AMTEC - ARVIND MEHTA TECHNOLOGY AND ENTREPRENEURSHIP CENTRE, MUMBAI - AIPMA with a goal to bring best - practices and new improved technology to Indian Plastics Industry was launched on 16th February, 2021 to set up 'Centre of Excellence for Plastics Product Innovation and Application' with a vision to promote high quality knowledge and industrial services for rapid growth of the plastics and its application helping MSME's in reducing overall time to design, develop and rapid roll out of products to increase speed to global market. The Centre would help the industry to graduate from Micro to Small, Small to Medium and Medium to Large Enterprises in increasing its global market share in next 3 years.

Kindly visit www.aipma.net for in depth information about the Association and Business Oriented Advertisement slots provided at the Website with ever increasing Visitors, paving online Marketing of Products & Services.

ABOUT CHINAPALS SHOW

Gateway to Business Success and Technological Transformation

China, the renowned world's factory, and ASEAN, the emerging manufacturing hub, have been undergoing a new chapter of rapid technological transformation due to the preferential developments expected from the implementation of the Regional Comprehensive Economic Partnership (RCEP), the growing of regional domestic consumption, as well as the substantial investments in infrastructure, generating pressing demand for upgraded production materials and technologies. These developments offer golden business opportunities not only in China but also across wider Asian region. CHINAPLAS, as Asia's foremost plastics and rubber trade fair, empowers professionals from various applications to explore game-changing innovations, enhance capabilities, improve efficiency, and navigate the evolving manufacturing landscape with a full spectrum of latest plastics and rubber technology solutions. In 2023, CHINAPLAS achieved a record-breaking scale of 380,000 sqm exhibition area with an attendance of 248,000+ visitors from all over the world. CHINAPLAS 2024 is ready to make a strong comeback to Shanghai after a six-year absence, promoting high-quality development and showcasing top intellectual achievements in high-end manufacturing for the plastics and rubber industries. Join us in Shanghai, PR China in April 2024.
