# CONFERENCE ON BOOST INDIA'S EXPORT OF PLASTIC FINISHED PRODUCTS BY 4X IN 3 YEARS

## INDIA – A Global Sourcing Hub

Make in India, Make for the World

The Export Conferences are a part of Plastiworld Exhibition  
scheduled 23<sup>rd</sup> - 25<sup>th</sup> March, 2026 at Jio World Convention Centre- Mumbai

**Date: 24<sup>th</sup> September, 2025**  
**Time: 9:00 AM - 5:00 PM**

**Venue: The Lalit Hotel, Mumbai**

## Launching Export Study of Plastic Finished Products for 21 Countries

### Session 1

#### Export Potential of India's Plastic Finished Products

This session explores the export potential across various sectors, including medical devices, household goods, and sports equipment, providing insights into current scenarios and emerging opportunities.

### Session 2

#### Markets & Opportunities

This session dives into specific markets, strategies for engaging with multinational corporations, leveraging buyer networks, and understanding essential export certifications

### Session 3

#### Industry Speaks

This final session presents invaluable insights from industry leaders regarding packaging strategies for exports, the landscape of injection molded products, and crucial aspects of credit risk management for exporters.
