AIPMA Job —fair very soon.....*

THE ALL INDIA PLASTICS MANUFACTURERS' ASSOCIATION

AIPMA JOB - FAIR 2013

on March 09, 2013

Organized by : PLACEMENT CELL

Post-Event Report

We at The All India Plastics Manufacturers' Association identified this hr/talent as key focus area that would drive the growth of plastic industry in future. AIPMA Job Fair for plastic industry professionals was first of its kind initiative by any polymer industry association in India specifically crafted to cater to man power requirements of the polymer Industry.

AIPMA Job Fair 2013 was held on March 09, 2013 at AIPMA Auditorium, AIPMA House, Andheri (East), Mumbai. It was the first edition and President Dr. Asutosh Gor presided the function, Hon. Secretary Mr. Hiten Bheda conducted the event and in presidential speech Dr. Asutosh Gor spoke on future of our industry followed by Mr. Jayesh Rambhia, Chairman Plastivision Arabia addressed the audience on upcoming event of AIPMA and event was inaugurated by lighting of lamp.

Our inauguration ceremony was graced by Visiting heads of several Institutions from polymer academia world namely MIT-Pune, MIT Aurangabad etc.. Support and wishes were received from several institutions like CIPET, LD College of engineering Ahmedabad, College of Engineering & Technology Kolkatta, etc..

We had 14 visiting employer companies participating from all sections of industry i.e. Raw-material, Compounds/additives, injection molding, blow molding, roto-molding, extrusion (pipe & blown film), machinery manufacturers Etc.. Although many more employer companies were on waiting list to participate but we could not accommodate them as we had limitations of our venue. Companies like Finolex Pipes, Borghi Brush Machinery (Italy), Luk Plasticon Ltd (Bajaj Steel Group, Nagpur), Kuloday Technopack Pvt. Ltd., etc... along with others participated as visiting employers

Almost 80 job-openings were floated by visiting employers, out of which 90% job-openings demanded 2-15 experience in the industry to which our AIPMA job-fair addressed the requirement and matched befitting candidates with employers.

Popularity of our AIPMA Job Fair can be judged by over 2000 request from candidates wanting to attend but to make this an "Event with an agenda" for all employers & candidates we did not accommodate all.

182 interviews were conducted in the event and 17 candidates were selected for second round of interview or received spot offers this translates into success rate of 80% with employers confirming that their goal/target for attending AIPMA Job-fair 2013 was fully achieved and they have obtained the right candidates for their jobs.

All participants appreciated the logistics provided in terms of private air- conditioned chamber allocated to each visiting employer giving them privacy to conduct Interviews and refreshments extended to all candidates and employers along with their representatives.

Secretary General Ms. Umaa Gupta and entire staff of AIPMA was involved with full dedication to execute the event and Mr. Harshad Desai, Chairman Service Committee personally visited the event and granted us the entire infrastructure under his committee for the event and Mr. Anand Oza gave us guidance on execution of the event. We at AIPMA Placement Cell appreciate and are grateful to all for their support.

Our Objective to serve the polymer industry in HR/Manpower arena with a non-commercial, service oriented & cost effective model was achieved and Benefits of team work at AIPMA went to all participants and now the overwhelming response and positive end result of event encourages us to continue having such AIPMA Job-fairs frequently at various locations across country.

I applaud the support of AIPMA President, Office Bearers and efforts of Members of Placement Cell Committee without whom this event would not have been successful.

KISHORE SAMPAT

Chairman –AIPMA Placement Cell

AIPMA Job-Fair Season 2017

SPONSORED BY:
PLASTINDIA INTERNATIONAL
UNIVERSITY

AIPMA JOB FAIR KOLKATA ZONE EVENT WAS A SUCCESSFUL SHOW AND WILL END WITH 5+ EMPLOYERS (includes 1 international employer)

As other zones are houseful , Kolkata zone becomes favourite among industry as with extra efforts of Mr. Tapas, AIPMA East Zonal Manager , AIPMA Kolkata Office is facilitating for distant employers to get CV and use modern communication options like video call etc.. to interview candidates directly from comfort of their location.

Very high enthusiasm was seen in candidates for participation from distant locations like Haldia , Guhati , Imphal specially in popular segments like injection molding from experienced candidates.

Our Vice President East , Mr. Ashok Agarwal also got request from Industry members to have AIPMA Job Fair in other locations like Raipur , Bhubneshwar , Nepal etc.. So they get advantage of this unique job fair activity.

As per the direction of Mr. Ashok Agarwal our VP East , Our AIPMA Kolkata office shall receive employer registration till September only from Eastern India Members and provide them CV of relevant candidates that have been gathered from the event to promote employment.
