AIPMA JOB-FAIR SEASON 2026

BIGGEST GLOBAL JOB-FAIR OF INDIAN PLASTIC INDUSTRY

4TH FEBRUARY, 2026
WEDNESDAY

9:30 AM to 4:30 PM

**India Habitat Center,
New Delhi, India.**

FIRST LIST OF JOBS ON OFFER AT AIPMA JOB-FAIR SEASON 2026 - DELHI

(DECLARED ON 15/12/2026)

Job no.	Description		
22-DL-01	Position Title	BUSINESS DEVELOPMENT MANAGER	No. of positions : 1
	Department	Plastics & Injection Moulding	Reports to : COO
	Location	Bangalore	Accommodation : Own Arrangement
	Experience	7+ years	Any bond required for the job: No
	CTC	TBD	
	Qualification	Bachelor's degree in Mechanical / Plastics / Industrial / Production Engineering, or equivalent, Business/Marketing degree plus strong technical background in plastics	
	Role	A commercially astute, technically competent Business Development Manager who leads our efforts in expanding sales of plastic components, moulds, and injection-moulding machinery to plastic manufacturers. The ideal candidate will combine deep knowledge of the plastics ecosystem (materials, moulding processes, tooling) with proven sales & business development capabilities, to drive growth, forge new partnerships, and scale our business footprint.	
	Finished products	Various kinds of injection moulded plastic components and assemblies	
	Employer	We are a fast-growing precision manufacturing company specializing in injection-moulded plastics, tooling, and engineered components. We support diverse industrial sectors with high-quality plastic parts, moulds, and value-added solutions. With modern moulding machinery, in-house toolroom capabilities, and strong quality systems, we deliver reliable, cost-efficient, and scalable manufacturing for OEMs and industrial customers. We combine robust engineering, disciplined manufacturing practices, and a customer-first culture to drive continuous improvement and long-term partnerships.	
23-DL-02	Position Title	QUALITY ASSURANCE MANAGER	No. of positions : 1
	Department	Plastics & Injection Moulding	Reports to : Manager (Production)
	Location	Bangalore	Accommodation : Own Arrangement
	Experience	5-7 Years	Any bond required for the job: No
	CTC	TBD	
	Qualification	Bachelor's degree/ Diploma in Mechanical / Industrial / Plastics / Production or related engineering discipline (or equivalent).	
	Role	Quality Assurance Manager with strong injection-moulding experience to uphold and enhance quality standards. The candidate will be responsible for ensuring all incoming raw materials, in-process production, and finished plastic parts meet defined quality parameters — through systematic inspection, process monitoring, root-cause analysis, and continuous improvement.
